Jennifer Rambarran, B.A, M.A

Dr. Moses T. Rambarran BSc , MD,

Moses V. Rambarran, BSc. LLB, LLM.

Rohan Rambarran, BSc. Eng.

There seems to be a lull in the country.

When the institute compared the march 15th basket of goods to the February 15th basket of goods it found that there was no inflation or deflation.

Greens remain constant with a few items rising in prices while a few fell offsetting each other, the same with Groceries, Provisions and Meat.

Our next publication is on the 15th of April 2024.

Chairman

J. Rambarran
