With the Christmas feeling in the air and the tension generated by the Venezuelan threats, sellers are complaining that there are few buyers and a lot of lookers.

The institute's position when comparing prices in the November 15th basket of goods to the December 15th Basket of goods there was insignificant inflation. The People are holding on to their money which is influenced by the Ukraine and Israel wars.

Our Next publication is in the new year January 15th 2024.
