The constant blackout is still taking its toll on the citizens' countrywide. Another countrywide teacher's strike is adding more misery to households, especially single mothers. When now, who now has to find money to pay care centres ?

The institute found a 1% deflation instead of inflation when comparing the April 15 basket of goods to the May 15 basket of goods. The researchers found that green is fell by 5%, groceries fell by 8%, provisions increased by 30% and meat increased by 11%.

Because the bulk of the budget is spent on groceries and on groceries any shift in the inflation rate of groceries will have an overall effect on the inflation rate.
